

Throttle Valves

On the following pages you will find the article numbers required for inquiries and orders of the **Throttle Valves**, accessories, and spare parts of our catalogue program.

You will also find drawings with the installation dimensions.

The description of the products and all technical data sheets will be available on our new website, soon.

If you have any question, are looking for a different version, or if you would like to place an order, please send an e-mail to our sales team at sales@nocado.de.

Please keep in mind that it's necessary that you have to define and communicate the following characteristics so that we can process your request:

1. Product type / version
2. Size
3. Material steel with product contact
4. Material seals with product contact
5. Finish steel
6. Tube connections
7. Operation
8. Position sensors / control
9. Certificates

Instead of the a.m. characteristics you can send us the **Nocado article number**.

Notice:

All products of Nocado GmbH are under constant technical review. So, changes are reserved. Therefore, the technical data, images, and descriptions in our catalogue are therefore non-binding and exclude claims that may be derived from them.

The data in our catalogue is based on the status at the date of its publishing. Earlier catalogues become void, automatically.
